County Convention

Extracts from Public Statutes of New Hampshire

The County Convention shall consist of the representatives of the towns of the county. They shall meet on the second Wednesday of each biennial session of the General Court or other day in the same week, shall choose a chairman and clerk, and may adjourn as they see cause.

The County Commissioners and Treasurer shall furnish the Auditors all the aid and information required by them in the performance of their duties.

The County Convention shall, during each biennial session of the Legislature, grant county taxes for its county for two years, but the tax for each year shall be voted separately and collected in the year for which it was voted.

The Sheriff, the Jailers, the Physicians, the Clerk of the Court, the Solicitor, the Treasurer, the County Commissioners, and the Superintendent of the County Farm, of each county, shall make up their report separately, to December thirty-first annually, and the same shall be printed together in pamphlet form, in the month of January following.

The reports of the several officers named shall contain a summarized account of all their transactions, which concern the county, for the current year ending aforesaid, and the report of the Superintendent of the County Farm shall contain, in addition, a list of the paupers actually supported at the Farm, a statement of the number of weeks each was so supported, and the average cost per week for each pauper, with the explanation of the basis upon which such calculation was made.

Commissioners' Report

In accordance with the Public Statutes of the state of New Hampshire the commissioners of Rockingham County herewith present the annual reports of the county commissioners, treasurer, clerk of the Superior Court, sheriff, solicitor, superintendent of the farm and house of correction, farm physician, chaplain, Portsmouth Jail physician and auditors for the year ending December 31, 1921.

In reviewing our work for the year of 1921 we are gratified to find that the expenditures at the County Farm have been very much less than the year previous, and it will be with the greatest effort that we will endeavor to make the expense even less in the year to come. However, this can only be accomplished by giving up a great deal of time, thought and study, in order to achieve the highest results possible; as the cost of commodities has not been reduced to any material extent, and the prisoner help so small that the superintendent is still obliged to hire much of the work done.

Dr. Abram Mitchell is still in charge of the hospital and much good work has been accomplished in that branch of the institution.

The boilers at the farm have been repaired at some expense, but otherwise no extraordinary repairs have been obliged to have been made.

The appropriation for the upkeep of the Stratham Bridge, belonging to the county, has been exceeded, owing to the fact that unusual repairs were necessary. The piling needed some renewing, and the bridge also had to be re-planked.

The Portsmouth Court House has also required a little attention. The roof leaked badly in many places, and not a little masonry work has had to be done in order to save further expense.

At Exeter a new boiler was installed in the Records Building and it is reported that it is giving very good satisfaction.

We find that the expense of "County Poor Off the Farm" has increased a little, but this was not wholly unexpected, for the general industrial depression that has followed the war would, of necessity, cause many men to be out of employment and with large families to support they would be obliged to ask for help, and such has been the case, some of the families, including from four to nine children. It will no doubt be some time before adjustment along this line can be made.

The expense of "Children in Homes and Orphanages" is also a material one at this time, although many good homes have been found in private families, through the supervision of the commissioners for some of these unfortunates, thus lessening some of the county expense.

The commissioners of Rockingham County will be pleased to meet any of the inhabitants of the county, either at the farm on Wednesdays or at the Portsmouth Court House on Fridays of any week, and talk over any county matters, or receive any suggestions which will be for the betterment of county affairs.

We thank the selectmen of the different towns for their co-operation with the commissioners, in the work of the various towns.

GEORGE A. CARLISLE,
WILLIAM B. UNDERHILL,
SHERMAN T. NEWTON,

Rockingham County Commissioners.

Physician's Report

EPPING, N. H., January 2, 1922.

To the Honorable Board of Commissioners for Rockingham County:—

It is with pleasure that I report to your board the fact that everything has run along very smoothly at the County Institution at Brentwood during the past year.

There has been rather more than the usual amount of illness and of patients requiring attention and care, but nothing of an epidemic or preventable nature. This was especially true in the male department.

In the venereal clinic we administered 157 injections into veins of 606 and as many deep mercury. Many other patients were treated who required neither of these remedies.

Our success in this department has been very gratifying, even in many cases surprising to us.

The splendid operating room has been frequently used. We did three operations in it one day. One was a patient, long an inmate; one came in the day before for that purpose, and one was brought in while we were operating. We are glad to report all did well and two have been discharged.

We had to relieve the congestion on the male hospital floor by fitting up a room in the "Men's Home," for some cases requiring less care and close observation than some others, but this is far from ideal or satisfactory.

It does, however, emphasize the need, already mentioned in previous reports, of a "Woman's Home," for the old and feeble ladies, so that the infirmary could be used exclusively for hospital cases, and we could fill it.

We believe not only the need exists but that there is a fine location, electricity, pure water and heat enough for the building.

We appreciate the new apparatus for distilling water for our laboratory uses and that everything we have asked for has been granted and furnished by your board, excepting the Woman's Home Building, for which we still pray and believe you would supply if it were in your power.

To Superintendent and Mrs. Rand, to Mr. and Mrs. Parshley, who have faithfully acted as nurses, and to all other employes who have heartily co-operated and done everything possible to make the lot of these people more comfortable, great praise is due and my personal gratitude tendered.

Respectfully submitted,

A. W. MITCHELL, M. D.

Chaplain's Report

BRENTWOOD BAPTIST PARSONAGE, December, 1921.

To the Honorable Commissioners of the Brentwood Rockingham County Poor Farm:—

Dear Sirs:—I herewith submit to you (as chaplain of the above named institution) my report of ministerial labors rendered during this year, 1921.

For obvious reasons the Sunday afternoon preaching services in the chapel have not been as well attended as they were last year, but a marked attention and appreciation has been very apparent by those that have been present; during this year only one Sabbath preaching service has been omitted, and that on account of very bad travelling and stormy weather, and on several Sabbaths Mr. F. Rand has provided me transportation both ways when travelling has been difficult. Mrs. F. Rand has set the inmates a good example by attending the preaching services when circumstances permitted her to do so, and Mrs. Parshley has rendered valuable and much appreciated services as organist; Dr. Pike, of Brentwood, gave a short address one Sabbath afternoon.

The young people of the Brentwood Baptist Church, under the able leadership of Mrs. S. G. Sleeper, gave an Easter concert in the chapel on Easter Sunday afternoon. During this year seven of the inmates have professed conversion to God through the preaching services and personal religious instruction given by the chaplain. Temperance and religious literature has been every month distributed to the inmates.

JAMES B. KNOWLES, *Chaplain.*

Jail Physician's Report

PORTSMOUTH, N. H., January 1, 1922.

Sheriff Ceylon Spinney:—

The cases of illness at the jail this year have consisted mostly of minor ailments, such as tonsilitis, bronchitis, grippe, colds, rheumatism, indigestion and toothache. All cases have progressed well and made an excellent recovery. My relations with the officials have been very pleasant and satisfactory. The sanitary conditions at the jail are excellent.

H. L. TAYLOR, M. D.

Solicitor's Report

To the Citizens of Rockingham County:—

As solicitor for the County of Rockingham I beg to submit the following report of my services for the period of April first, 1921, to January tenth, 1922.

Indictments found:

Adultery	4
Assault with intent to rob	2
Assault	4
Assignation	1
Arson	1
Attempt at robbery	3
Breaking and entering and larceny	20
Desertion and non-support	2
Embezzlement	4
False pretenses	1
Forgery	4
Indictments found and information filed	4
Juvenile cases	3
Larceny	9
Larceny from person	3
Liquor making, procuring sale of and transporting	3
Manslaughter	6
Obtaining money under false pretenses	2
Obstructing highway	1
Pandering	1
Rape	1
Running away from auto accident	1

The foregoing indictments and informations, with exception of those which it was necessary to continue, have been disposed of by the court.

The wave of crime which has spread through the country has not missed this county. The solicitor and sheriff have been exceedingly busy in apprehending the wrong doers and investigating cases which do not appear in the above list.

The violation of the liquor law has also been a source of much work for the solicitor. These cases do not appear in the above list, owing to the fact that practically all of them were disposed of in the Municipal Courts. There were sixty-eight cases in violation of the Lewis Law, prosecuted by the solicitor in various Municipal Courts throughout the county. The fees which the county will receive from the clerks of the Municipal Courts and Superior Court in these cases will amount approximately to \$4400.00.

The solicitor is indebted to the sheriff, the deputy sheriffs, the chiefs of police and police officers of the towns for many acts of courtesy and assistance during the year.

JEREMY R. WALDRON, *Solicitor.*
